THE EARLY DAYS

Kavetha Sundaramoorthy is a Harvard trained psychiatrist and couples therapist. Before working with Carolin, Kavetha was seeing patients one-on-one and felt that she just wasn't reaching enough people. She knew she wanted to start an online business, but didn't know where to begin. Her first experience was with a different program that did not work for her. Then, she found the Brand Your Passions program.

KAVETHA'S BRAND YOUR PASSIONS JOURNEY

When Kavetha started BYP, she did not know the first thing about online systems or businesses.

However, she found success with BYP program because it provided her with a complete system to put her expertise into practice in the online space. Kavetha also benefited from the support of Team Soldo, who was always there to help her as she figured things out.

KAVETHA'S RESULTS

Just three months into the BYP program, Kavetha signed four one-on-one clients into her \$5,000 program. Excited by her success and even more determined than ever, she joined Powerhouse Coach – where she generated \$38,750 in her first four months.

She no longer accepts one-on-one clients, and has since shifted her focus to the group program she has started. She recently shared that she has so many discovery calls booked that she has started a waitlist for the group program! Kavetha says, “It's been a crazy ride and I could not have imagined this without the brilliance and support of Team Soldo.”
