SUPPORT FROM THE POWERHOUSE COMMUNITY

Sara Longoria knew she wanted to be a Transformational Coach – she had so much to offer others, but at the time, did not have the support she needed to make her dream come true. Through The Powerhouse Coach program, Sarah found the support and encouragement she had been looking for.

SARA’S RESULTS

By implementing the strategies and techniques taught in the program, Sarah has earned enough income from her business to more than cover her business and personal expenses. She’s been able to make a substantial contribution towards her family’s household expenses, and even had additional income that she was able to put into savings!

Sara admitted that joining The Powerhouse Coach “was probably one of the scariest decisions I ever made in my life. I had never spent money like that on myself.” However, today, Sara also says that joining Powerhouse was the BEST decision ever.
